Youth-led project	<input checked="" type="checkbox"/>
Other - impact of gun and knife crime	
Name of project: Project: Consider?	
Contact information for further details: UK Youth Parliament www.ukyouthparliament.org.uk	
Aims of the project: To find out about the impact of gun and knife crime on young people in London.	
Timeline for the project (expected start and finish date, if known): April to October 2006.	
Who funded this project? UK Youth Parliament and the Metropolitan Police Service.	
How were children & young people involved in decision-making? The project arose out of a decision by young people from the UK Youth Parliament London region to hold a conference with the Metropolitan Police Service to find out what young people felt about the police. The young people involved in the project led the project and were trained in filming and editing skills. The film includes interviews with children and young people that have	

been affected by the issue of gun and knife crime.

What did children and young people involved in this work achieve from this experience?

Young people involved in the project led the project and were trained in filming and editing skills.

Participation Works wants to share your good practice to a wider audience to enable others to learn from your experience and develop their own participation practice.
